The Song Transformation of China

.....

DIETER KUHN

GENERAL EDITOR, TIMOTHY BROOK

"[An] admirable account of the Song dynasty . . . This series on China, brilliantly overseen by Timothy Brook, is a credit to Harvard University Press. Above all, it encourages us to think of China in different ways."

—Jonathan Mirsky, *Literary Review*

"*The Age of Confucian Rule* is a book that everyone who teaches Chinese history should have on his or her shelf and consult frequently...The attention [Kuhn] gives material culture is refreshing and helps him to make his case for the importance of China in Song times."

—Patricia Ebrey, *International Journal of Asian Studies*

"One hopes [Kuhn's] work will find a larger audience, for he has much to teach to general readers, world historians, and China specialists alike."

—Mark Halperin, *American Historical Review*

"The author's enthusiasm is matched by his erudition and outstanding expertise in Song material culture . . . Scholars already versed in the period can learn much from this book, while those just beginning to delve into Chinese history are very well served."

—C. Schirokauer, *Choice*
