ASPECTS OF HINDU ICONOGRAPHY

Lecture by Prof. Dr. Gudrun Bühnemann,
Department of Asian Languages and Cultures,
University of Wisconsin-Madison, USA

This talk introduces elements of Hindu iconography to a broad audience. The first part provides an overview of major components that are taken into consideration when identifying images of divinities. The second part focuses on the question of the interpretation of the meaning(s) of the attributes, and the relationship between textual prescription and representation in art.
