

# JLib meets MagEIA

May 26 – 27  
2026

MagEIA House, 1st floor,  
Seminar room 01.001

Bibrastrasse 14,  
97070 Würzburg

## workshop on ancient magic

Former MagEIA fellow Gideon Bohak and his team from the ERC project “The Jewish Library in Late Antiquity” at Tel Aviv University join the MagEIA group for two days of talks and discussions about their current research topics including studies on ancient archives, incantation bowls, assistants in magical practices and features of magical language use.
